# PLANUM FURNITURE LEATHER UPHOLSTERY LIMITED WARRANTY

PLANUM Furniture's handcrafted leather sofas and chairs are produced utilizing the finest available leathers and the best available hard woods, spring mechanisms and mechanical parts.

PLANUM warrants that all leather upholstery is produced with genuine leather.

While care is taken to provide consistency for each dye lot produced, the condition of the leather hide (i.e. the animal's skin) may result in small color and grain differences from samples supplied. This proves that the consumer is receiving genuine leather as the grain of no two hides is identical.

Planum warrants the leather against splitting and tearing under normal conditions of use.

Warranties are offered to the original purchaser only. All claims, when they arise, must be presented through the RETAILER from whom the product was originally purchased. Absent the ability to work through the original retailer, a consumer must be able to provide proof of original purchase which clearly states the name of the retailer, the date of purchase, and the product details. PLANUM Furniture will then offer direct assistance with any potential claim.

Service may be obtained under this warranty, when, under normal conditions of use, the purchased product has non-conformities that were not recognizable at the time of delivery and that are attributable to the manufacturer, after the product has been inspected, as required. The manufacturer offers no guarantees other than those stated here; your statutory rights under the relevant mandatory legal measures are not affected. The retailer and/or third parties may not alter the terms of this warranty, nor may they issue any other warranty statements in any form on the manufacturer's behalf. This warranty covers non-conformities in cushions, mattresses, reclining mechanisms, stitching, manual and/or, electronic mechanisms, suspension systems (webbing) and upholstery, that ARE NOT due to normal use.

PLANUM reserves the right to replace materials of similar quality standard if original material is no longer available.

PLANUM shall in no event be responsible for a direct, indirect, special, consequential or incidental damages such as (but not limited to) loss of use, sales or profit, loss of value which could have been created by the use of products. The responsibility of PLANUM should never exceed the repair or replacement cost of the products or part thereof which gives rise to claim.

INTERNAL FRAME (7 YEARS)  
SUSPENSION, MECHANISMS & BATTERIES (2 YEARS)  
CORE (3 YEARS)  
LEATHER COVERING (3 YEARS)

## This warranty does not cover:

- Non-conformities in products bought for nonresidential uses, i.e. environments other than the product's normal residential setting.
  - Faults or defects due to accidental damage, or improper installation.
  - Natural markings or creases caused by damage to the leather or by variations in the grain and color due to the leathers natural properties (characteristics that simply reflect the use of real leather).
  - Softening and flattening of cushions or pillows, which occurs naturally with normal use and aging of polyurethane foam, particularly during the first three months of use until the polyurethane foam stabilizes; relaxed cover tension resulting in some surface wrinkling should be expected as part of the stabilization process.
  - Cracking or peelings of the leather caused by animals, burns, cuts, or other forms of improper use.
  - Damaged caused by the user's negligence or by unsuitable cleaning or treatment of the upholstery.
  - Damage to the leather caused by the application of inappropriate chemicals, detergents, softeners or treatments not authorized by the manufacturer.
  - Damage caused by corrosive materials such as acid, solvents, dyes, inks, paints, or human or animal bodily fluids.
  - Damage from direct exposure to sunlight and/or heating source, and similar conditions, with resulting discoloration.
  - Product damage due to abuse, improper use, or force majeure.
  - Damage due to incorrect transport or handling of product.
  - Items sold as samples, as used goods, or "as is".
  - Damage due to repairs made by people not authorized by the manufacturer
- Matters interpreted as non-conformities because of incorrect information from, or negligence by, the retailer.
- Variations in tolerance – all products are handmade by skilled craftsmen using natural materials; each piece is unique, therefore exact tolerances cannot be achieved; deviations exist to a negligible extent within national and international standards for colors, measurements, and texture and do not represent material defect.
  - Difference in color between cover samples seen at time of purchase and cover received on final product.
  - Design, shape, and functional components may result in seating comfort variations within one upholstered unit (i.e. corner units and ratcheting or hinge internal components).
  - Any product sold by an unauthorized dealer.
