④panel lighting	<b>9631</b>	_____

**Trend material concrete**

The special filling technique creates a fascinating concrete look. In thin layers, the concrete is applied by hand, sanded and painted. This gives it its unique tension and pleasant feel.

Product-typical unevennesses, depressions, crater structures and slight hairline cracks make each concrete block unique.

**ATTENTION:**

The glass elements are parsol bronze.

**product information:**

**Lowboard**  
1 wooden door left  
1 drawer right

**Touch switch**

The touch switch is used to switch the lighting on / off, but has no dimming function. (If dimming function required, see type no. 0118).  
To every order with lighting a touch switch is added without charge. All items have to be connected by cable.  
If you require individual switching, additional touch switches must be ordered for a charge.

# Problems with your back? This is the solution:

**THE ADVANTAGES:**

- The seat can move in any direction.
- Improves your health.
- Strengthens your back muscles.
- The movements relieve the strain on spinal disks and encourage blood flow.
- Your back is taken care of.
