Due to the design, the LED strips are not interchangeable, as they are firmly attached to carrier profiles such as e.g. aluminum profiles and must be glued. In this way, we guarantee a consistently long service life for our lights. We reserve the right to make technical changes to the model and dimensions! Models protected by law! Due to different designs and functions, the dimensions specified on the order confirmation may vary slightly in individual cases.

solid reef beech brushed	5510-0695	W 51 H 88 D 55 SH 47,5		Leather	2,142,-

THE ADVANTAGES:

- **The seat can move in any direction.**
- **Improves your health.**
- **Strengthens your back muscles.**
- **The movements relieve the strain on spinal disks and encourage blood flow.**
- **Your back is taken care of.**

Due to the design, the LED strips are not interchangeable, as they are firmly attached to carrier profiles such as e.g. aluminum profiles and must be glued. In this way, we guarantee a consistently long service life for our lights. We reserve the right to make technical changes to the model and dimensions! Models protected by law! Due to different designs and functions, the dimensions specified on the order confirmation may vary slightly in individual cases.
